FROM: Office of Postdoc Affairs

SUBJECT: Updates to the Policy for Postdoctoral Research (& Teaching) Appointments

The [Policy for Postdoctoral Research \(& Teaching\) Appointments](#) has been updated and posted to the OVPR website.

The changes reflect the new minimum annual salary of \$47,476 as required by the recent FLSA ruling, as well as a new requirement that the Office of Postdoc Affairs pre-review all offer letters before they are presented to postdoc candidates.

Please review the policy for details of the changes and email opa@uga.edu if you have any questions.
